Goedeverwachting Stables

What we Offer

GVW is Offering Stabling on our wonderful 24Ha Farm situated at the top of Old Sir Lowry's Pass road. Lots of trees and grazing grounds, with two dams and riding trails on the grounds.

Stabling includes morning and evening feeds as well as grazing.

A groom, who is comfortable with horses, as well as on horse back, & can instruct basic riding lessons.

Clients have access seven days a week and after hours on request.

About us

Here at Goedeverwachting we already have a large variety of rescue Horses & Ponies living out their best days, basking in the sun and free grazing. We are looking to expand our services to provide a fantastic home for your horse.
